

SANTA SINGH AND BANTA SINGH SET OF JOKES

KHALISTAN

Once there was a meeting of all the Surd freedom fighters. They were planning for free Punjab. Santa Singh raised a point, "Oh.. we'll get Punjab from India but how would we develop it?" That was a difficult question indeed. Suddenly Banta Singh plied, "No problem! we'll attack USA, it would take over us and then we would be a state of USA and we'll automatically get developed." All the surds became happy on this very simple solution but an old surd did not utter a single word. Someone asked him why he wasn't happy. The surd replied, "OH! THAT'S ALRIGHT BUT...WHAT WOULD HAPPEN IF BY CHANCE WE TAKE OVER USA ?????"

AKBAR & SANTA SINGH

About a century or two ago, the king Akbar decided that all the Sardars had to leave India. Naturally there was a big uproar from the Sardar community. So the king Akbar made a deal. He would have a religious debate with a member of the Sardar community. If the Sardar won, the Sardars could stay. If the king Akbar won, the Sardars would leave. The Sardars realized that they had no choice. So they picked a middle aged man named Santa Singh to represent them. Santa Singh asked for one addition to the debate. To make it more interesting neither side would be allowed to talk. The king Akbar agreed. The day of the great debate came. Santa Singh and the king Akbar sat opposite each other for a full minute before the king Akbar raised his hand and showed three fingers. Santa Singh looked back at him and raised one finger. The king Akbar waved his fingers in a circle around his head. Santa Singh pointed to the ground where he sat. The king Akbar pulled out a wafer and a glass of wine. Santa Singh pulled out an apple. The king Akbar stood up and said, "I give up. This man is too good. The Sardars can stay." An hour later, the cardinals were all around the king Akbar asking him what had happened. The king Akbar said, "First I held up three fingers to represent the Trinity. He responded by holding up one finger to remind me that there was still one God common to both our religions Then I waved my finger around me to show him that God was all around us. He responded by pointing to the ground and showing that God was also right here with us. I pulled out the wine and wafer to show that God absolves us from our sins. He pulled out an apple to remind me of: original sin. He had an answer for everything. What could I do?" Meanwhile, the Sardar community had crowded around Santa Singh "What happened?" they asked. "Well," said Santa Singh, "First he said to me that the Sardars had three days to get out of here. I told him that not one of us was leaving. Then he told me that this whole city would be cleared of Sardars. I let him know that we were staying right here." "Yes, yes,.. and then???" asked the crowd. "I don't know," said Santa Singh, "He took out his lunch, and I took out mine."

DOC HELP

Santa spoke fanatically into the phone " My wife is pregnant and her contractions are just two minutes apart!"

"Is this her first child ?" the doctor asked.

"No, you idiot !" Santa shouted " This is her husband!"

SUICIDAL SANTA SINGH

An American, an Italian and Santa Singh were doing construction work on scaffolding on the 20th floor of a building...

They were eating lunch and the American said, "Corned beef and cabbage! If I get corned beef and cabbage one more time for lunch I'm going to jump off this building."

The Italian opened his lunch box and exclaimed, "Pasta again! If I get Pasta one more time I'm going to jump off, too".

Santa Singh opened his lunch and said, "Paratha and dhal again.If I get paratha and dhal one more time I'm jumping too."

Next day - The American opens his lunch box, sees corned beef and cabbage and jumps to his death.

The Italian opens his lunch, sees pasta and jumps too.

Santa Singh opens his lunch, sees paratha and dhal and jumps to his death also...

At the funeral.....

The American's wife is weeping...She says, "If I'd known how really tired he was of corned beef and cabbage, I never would have given it to him again!"

The Italian's wife also weeps and says " I could have given him pizza or lasagna! I didn't realize he hated pasta so much."

Everyone turned and stared at the Santa Singh's wife...

"Hey, don't look at me," she said, "He makes his own lunch!"

Banta Singh : Y2k Compliant!

Dear Sir,

Our staff has completed the 18 months of work on time and on budget. We have gone through every line of code in every program in every system. We have analyzed all databases, all data files, including backups and historic archives, and modified all data to reflect the change.

We are proud to report that we have completed the "Y-to-K" date change mission, and have now implemented all changes to all programs and all data to reflect your new standards: Januark, Februark, March, April, Mak, June, Julk, August, September, October, November, December As well as: Sundak, Mondak, Tuesdak, Wednesdak, Thursdak, Fridak, Saturdak. I trust that this is satisfactory, because to be honest, none of this Y to K problem has made any sense to me. But I understand it is a global problem,

and our team is glad to help in any way possible.

And what does the year 2000 have to do with it? Speaking of which, what do you think we ought to do next year when the two digit year rolls over from 99 to 00? We'll await your direction."

Very Sincerely
Banta Singh
YtoK Project Leader

Santa and Banta go fishing

Santa and Banta rented a boat and fished in a lake every day. One day they had a huge haul of 30 fish. Santa said to Banta, "There's lots of fish here! Mark this spot so that we can come here tomorrow."

The next day when they were driving to rent the boat, Santa asked Banta, "Did you mark that spot?" Banta replied, "Yeah, I put a big 'X' on the bottom of the boat!"

Santa said, "You fool! What if we don't get that same boat today!?!?"
